

MCLE BasicsPlus!®

Health & Hospital Law

An intensive program focusing on the fundamentals of health care law

Why attend?

This comprehensive program provides an introduction to Massachusetts and federal health care law. You learn the acronyms, the players, the general concepts, and the important laws and policies involving the business of health care delivery.

This program is a comprehensive educational seminar on the core issues in Federal and Massachusetts health care law. Sessions are valuable to experienced health care attorneys seeking an update or refresher course; as well as to lawyers new to health law practice.

The panel of lecturers are among the leading health care law experts in the region and nation. The speakers come from diverse perspectives, ranging over private law firms—both small and large—in-house legal departments, academic settings, and government enforcement practice. The expert faculty explain the key topics, and are available to answer your questions relating to the materials.

Introduction, overview and how to follow the money
