Mandatory CLE credits

Individual attorneys are responsible for checking with their particular state CLE accreditation authority about whether and how much credit will be granted. Although MCLE does not pursue state-based credit, MCLE programs are regularly approved in many jurisdictions. It is the responsibility of the individual attorney to submit the information and certifications required under the respective state rule to the appropriate authorities in the jurisdictions in which they seek credit.

Depending on the jurisdiction, lawyers can satisfy their mandatory CLE requirements online with MCLE's webcasts, which feature periodic attendance prompts, electronic written materials, and the opportunity to receive a certificate of attendance.

If your plans change

If you're unable to participate in a program on the date for which you registered, you will receive an email about how to access the program on demand via webcast and/or downloadable mp3 file, including the written materials in electronic form, in full satisfaction of the tuition paid. If you prefer a refund, let us know by the end of the business day prior to the program and we'll refund your tuition after deducting a \$35 processing fee. Note that limited enrollment programs are an exception, cancellation of which require two weeks notice and are subject to a \$55 processing fee.

New lawyer discounts—always the lowest price

For the first three years of practice, MCLE offers new lawyers a 25% discount on all of its products, including programs, books, audio CDs and mp3 recordings. If you were admitted to the bar after 2018, take advantage of the new lawyer prices listed throughout the catalog.

Pending admittees, law students and paralegals are also eligible for a 25% discount on most MCLE programs.
