CORI: Basics of the NEW Criminal Justice Reform Law

Tuesday, October 26, 2021 No. 2220057WBC; Wednesday, November 10, 2021 No. 2220057RBC; Thursday, November 28, 2021 No. 2220057RB1
9:30 am-2:30 pm, 4 credits

This seminar provides an overview of criminal offender record information (CORI) laws as related to employment, driver licenses, housing, and other collateral consequences. Topics include: how to get CORI reports; sealing and expungement of adult and juvenile cases; chapter 151B anti-discrimination provisions; negligent hiring protections for employers and landlords, and other provisions.

Massachusetts keeps "CORI" on every individual who has a criminal case in a Massachusetts state court. CORI is recorded and kept on file even if the underlying case is ultimately dismissed or the accused is found not guilty. CORI is used in screening processes by employers, landlords, government agencies, and others. Clients with criminal records face barriers to employment, housing, benefits and other opportunities for economic stability. This training is for legal services advocates, lawyers in private practice, social and health services workers, and community activists who want to learn about the new law or get a refresher course on the basics of CORI.

SSI & SSDI Basics

Tuesday, November 2, 2021 No. 2220056WBC; Wednesday, November 17, 2021 No. 2220056RBC; Monday, November 29, 2021 No. 2220056RB1
9:30 am-4:00 pm, 5.5 credits

Social Security disability programs continue to be a major source of cash and health benefits for individuals with disabilities. However, dealing with a large federal agency can be daunting and overwhelming, especially for an unrepresented claimant. The program begins with an overview of the two disability programs administered by the Social Security Administration (SSA), with emphasis on eligibility requirements and procedures, including online procedures and any remaining COVID-19

related procedures, basic disability eligibility standards and non-disability issues such as income, resources, and non-citizen criteria. An explanation of the recently revised evidence submission and analysis rules begins with the afternoon session followed by overview of the appeals process for disability applications. Concluding the program is a review of certain post-entitlement issues, with special emphasis on continuing disability reviews, work incentives rules, and benefits overpayments. The training is for legal services advocates, lawyers in private practice who are thinking of representing clients before SSA, social and health workers, and community activists.

Overview of the TAFDC Program, Massachusetts' Cash Assistance Program for Families

Thursday, December 9, 2021 No. 2220086WBC; Tuesday, December 28, 2021 No. 2220086RBC; Wednesday, January 5, 2022 No. 2220086RB1
9:30 am-4:00 pm, 5.5 credits

This training is for legal services advocates, lawyers in private practice, social and health services workers, and community activists who want to learn about TAFDC (Transitional Aid to Families with Dependent Children)—the cash assistance program for families. The training provides an overview of program rules and eligibility, as well as information about recent policy and practice changes. The training will also cover applying for and keeping TAFDC benefits, and protections for specific populations including people with disabilities, people dealing with domestic violence, and people with limited English proficiency. In the afternoon, there will be sessions on child care and non-citizen eligibility/public charge.

Materials will include PowerPoints and other resources. If the rules are no longer in flux because of COVID-19, we will also provide an updated *TAFDC Advocacy Guide: An Advocate's Guide to the Massachusetts Welfare Rules for Families*. The December 2019 edition is available free at <https://www.masslegalservices.org/TAFDCAdvocacyGuide>.

Mandatory CLE credits

Individual attorneys are responsible for checking with their particular state CLE accreditation authority about whether and how much credit will be granted. Although MCLE does not pursue state-based credit, MCLE programs are regularly approved in many jurisdictions. It is the responsibility of the individual attorney to submit the information and certifications required under the respective state rule to the appropriate authorities in the jurisdictions in which they seek credit.

Depending on the jurisdiction, lawyers can satisfy their mandatory CLE requirements online with MCLE's webcasts, which feature periodic attendance prompts, electronic written materials, and the opportunity to receive a certificate of attendance.

If you're unable to participate in a program on the date for which you registered, you will receive an email about how to access the program on demand via webcast and/or downloadable mp3 file, including the written materials in electronic form, in full satisfaction of the tuition paid.
