

25th Annual Personal Injury Law Conference 2023

Spotlight on the major issues that impact your practice

Celebrating 25 years, this signature Conference for the personal injury law bar brings you up-to-date on key topics and developments. Hear from nationally renowned authorities in the field of personal injury law and members of the judiciary. The fast-paced agenda provides timely updates, answers to ethics questions, practice tips, and unique insight from practitioners at the forefront of current personal injury law practice—Brian Carney demonstrates visual aids that make timelines more compelling and Joseph Berman looks at the ethical issues facing personal injury lawyers.

Conference Highlight! Featured speaker Joshua Koskoff, lead counsel for victims of the *Sandy Hook, Uvalde, Buffalo* and *Mandalay Bay* mass shootings, speaks about his innovative tactics and unprecedented success against the gun manufacturers that make and market the assault rifles used in massacres, including their historic \$73 million settlement that is serving as a blueprint for tackling the nation’s epidemic of gun violence.

PLUS! Our just added *Her Honor* panel features two of the judges from Lauren Stiller Riklees’s book, *Her Honor*, a collection of personal stories by and about some of the country’s most respected female judges. Each chapter author openly shares nuanced stories of challenges and successes, including the inequality, bias, and other barriers they faced and overcame in their lives. Joining Attorney Riklees on the panel are former U.S. District Court Judge Nancy Gertner and former Supreme Judicial Court Justice Fernande Duffly
