

Trial Advocacy Workshop 2023

Initiation rite for rising and determined trial lawyers

Five intense days of personalized, comprehensive training provide you with fundamental courtroom skills from several venerable judges and experienced practitioners. This intense, rigorous, and challenging *Workshop*—as many of the state’s best trial lawyers attest—is vital for eager trial attorneys entering practice and for those who want to brush up on their trial skills.

Spend the week “on your feet,” arguing, questioning, and developing your skills in a mock trial setting. From opening statements to closing arguments, direct and cross examinations, expert witnesses, and eyewitnesses, improve your trial techniques under the close scrutiny of trial judges and leading attorneys. Most of your trial performance is videorecorded, so you can watch yourself in action throughout the day and receive constructive feedback from multiple faculty members, including judges. The tips, videos, demonstrations, lectures, and group discussions throughout the *Workshop* culminate with a full jury trial on the final day. After your performance, you watch a live jury deliberation via closed-circuit TV before the verdict is delivered. This *Workshop* is your chance to hear what the mock jury thought of your skills, arguments, and courtroom demeanor. Supportive critique continues even after the trial as the presiding judge gives you unique, personalized feedback on your efficacy. You emerge with well-honed trial skills and the ability to face your first—or next—jury trial with confidence.

This *Workshop* features distinguished trial court judges, expert litigators, and experienced lawyers who share their deep knowledge of trial practice, along with their practical and encouraging critique, as your personal mentors throughout the week. Networking opportunities continue at the closing reception, with both students and faculty attending. You leave this *Workshop* with a sense of accomplishment along with greater confidence in your new-found trial practice skills.
