ONLINE SEMINAR

Practical Uses for AI in Trial Preparation & Legal Practice

Learn how and when to use ChatGPT and other modern generative AI-powered tools to boost your productivity and improve your legal work

This new program teaches lawyers how to use AI in their practice. The program covers a variety of topics, such as AI in document automation, the use of AI in a small- or medium-sized firm, AI in complex litigation, and the use of Clearbrief for AI-powered pleadings. We close with your questions and answers from the expert panel.

Learn how to use AI to improve your productivity and legal work. Get the knowledge and skills needed to use AI effectively in your practice.

Agenda

- AI in Document Automation
